2018-2019 Academic year

ECAs (Extra Curricular Activities) REGISTRATION

- Registration for ECAs will take place on Saturday, September 15th 2018 from 8:00am to 12:00pm, in the multipurpose room.
- **The activities will be paid on this specific day** : without any effective payment, no registration will be taken in consideration.
- Please, note that the registration to the activity is for the all Academic school year, in order to guarantee the continuity of the learning programme and of practices.
- Nursery students (MS & GS) and Primary students (CP & CE1) will possibly change an activity at the end of the term (email to the coordinators).
- Other Primary students will have to explain their decision to ask to change or cancel any activity to the Coordinator and the concerned monitor.
- Each student can register up to 3 activities per week, making ECAs accessible to as many people as possible.
- Space per activity is limited (Cf. **annual ECAs programme**), in order to guarantee the continuity of the learning programme and of practices too.

ATTENTION, please ! «First one to come, first one to be enrolled ».

- **Any registration submitted after Saturday, September 15th 2018 will not be considered**, excepted for new students arriving at school during this 2018-2019 Academic school year and depending of available places in each activity.
- There will be no activity open to PS (Petite Section) pupils from Nursery. This was discussed in the « Conseil d'école » / « Primary French council » on 09/06/2016 during the ECAs' bilan. These children are definitely too young and too tired to have extra activities after their school day.

ECAs RULES

- Please consider to inform us if your child will not join ECA :
aes@frenchschooltanzania.org

- Poor behaviour will not be tolerated. As activities are not compulsory, children disturbing the class will be expelled from the activity and the amount paid not refunded.
- Children from CP to CM2 waiting at school for their activities to start from 3.00pm to 4.00pm will have necessarily to register and join supervised study ("étude dirigée"), from 2.00pm to 3.00pm.
- **Children who will leave the school at 1:00 pm for lunch break and who will be back in the afternoon for ECAs, will be admitted within school premises as soon as the bell corresponding to the start of their activity will ring (opening of the gate by the guard).**
- After supervised study, children who don't have activities from 3.00pm to 4.00pm will be under the supervision of "Vie Scolaire" (School Life) until their next activity starts.
- Parents are kindly asked to come and pick their child up **as soon as her/his activity ends.**

NB: It was decided by the French Council in 2014-2015 that children who will be left at school by their families without any registration within AES programme will be welcome in permanence room under the supervision of the "Vie Scolaire" (cost:10€/hour; any hour begun is due).

- In case of rain during an outdoor activity, the students will join a room and will be managed by the ECAs staff and/or coordinator(s) on duty.
- Should the student or family choose to cancel an activity partway through the term, no refund will be given.
- Parents are not allowed to stay at school during the activities.
- **Please, note that only ECAs coordinators, Bernadette MANDE and Ludovic MARTINEAU are your contact on ECAs subject.**
